County Ballot Completed

County Clerk Hall today completed the arrangement of names of candidates, on the official ballot for Marion county, to be voted on June 24. The names for state and congressional offices are arranged in the same manner as the certified form sent out to the various counties of the state. Candidates before the people for United States senator are arranged in the congressional section of the ticket, and follow the nominees for congressmen.

Groups of candidates are arranged by parties in the following order: Republican, Democratic, Prohibitionist and Socialist. The candidates for the various offices are placed on the ticket in alphabetical order.

The names are arranged on the ballot in the following order: State ticket—Governor, supreme judge, secretary of state, state treasurer, superintendent of public instruction, attorney-general, state printer; congressional ticket—representatives in congress, candidates for United States senator; county and legislative ticket—joint senator, representative, county commissioner, sheriff, county clerk, recorder, treasurer, assessor, surveyor, coroner and precinct officers.

The Marion county Democratic ticket is not complete. The party has no candidate for coroner. In other respects the ticket was not completed today, when the necessary petitions were filed, placing on the list I. W. Berry, of Salem, as representative, to succeed Dr. P. H. Fitzgerald, of Gervais, resigned; and W. W. Johns, also of Salem, for county commissioner, in place of Wm. McKay, of Champoe, who failed to qualify.

Experts Report Monday

The Marion county court adjourned today until Monday, to receive the experts' report on the records of Marion county officers.

Claud Gatch, who was appointed a member of the committee to audit the bill of the experts, has refused to serve. Mr. Gatch says he was made a member of the committee without being consulted.

When the experts were employed, the court designated Mr. Gatch and Jos. H. Albert, and a third party, to be named by the court, as a committee to fix the compensation to be paid the accountants, that was not to exceed \$5 each per day.

Indian War Vets.

Bennett Camp No. 8, Indian War Veterans, held its annual meeting today at the office of John Hughes. The old officers were elected to succeed themselves for the ensuing year, and upon motion, the members of the camp considered themselves elected delegates to the grand encampment to be held in Portland. Bennett Camp will invite the aid and friendship of the G. A. R. in their effort to gain recognition and compensation from the government. Members of the camp attended the Chamberlain speaking this afternoon.

MRS. BARBARA McDONALD

JULIA V. TELLER

MRS. MARY HARDY

MRS. CATHERINE R. BERTOS

MRS. BARBARA McDONALD, President of the St. Louis Blue Ribbon Club, writes the following letter concerning Peruna from 247 Dayton street, St. Louis, Mo.:

"It is with feelings of gratitude for benefits derived from the use of Peruna that I desire to proclaim to human-kind my experience, hoping that it will benefit some unfortunate sufferer like myself. Suffering for years with what appeared to be an incurable malady, and after a great expense incurred consulting physicians without any benefit, I was recommended to try Peruna. As a last expedient I purchased a bottle, and before one-half of the contents were used I felt the beneficial results. I am continuing to use same, and might say I am entirely well. My disease seemed to be catarrh of the stomach, and the nauseating sensation, and the heavy, languid, tired-out feelings with which I suffered, especially after eating, have entirely left me, and my digestive organs are in splendid condition, all of which I owe to the use of Peruna."

MRS. BARBARA McDONALD.
Miss Julia V. Teller, of 2518 Prairie street, Milwaukee, Wis., is President of the German Young Woman's Union. Her opinion of Peruna is given in the following words:

"Our German Young Woman's Union has nothing but praise for Peruna. Three of our members have been most wonderfully helped. One of them had the lassitude incident to spring weather is especially trying to women. Allments peculiar to the sex of many varieties are especially prone to aggravation. All this class of affections are fitly described by the term 'pelvic catarrh.'"

Any woman wishing to be placed on the list of Dr. Hartman's patients for free home treatment and advice should immediately send name and symptoms, duration of disease and treatment already tried. Directions for the first month's treatment will be promptly mailed free of charge. No free medicine will be supplied by the doctor, but all necessary directions will be furnished.

Read what the above ladies have to say of Peruna as a cure for these cases. If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

tended him the glad hand, and many proffered assurances of support came from unexpected quarters.

As not one-half the people who wanted to hear him could be accommodated, Mr. Chamberlain has been asked to give Salem another meeting, probably on the evening of May 28th, same to be announced later. A full report of today's speeches will be found in The Journal Monday.

At the Opera House. On account of the weather the meeting was held in the opera house at 2 o'clock this afternoon. The Salem Military band was in attendance, and played its very best. Judge H. F. Bonham was chairman, and after a few remarks, introduced Prof. W. A. Wann and D. W. Sears, who were the first speakers.

When Mr. Chamberlain was presented to the audience, the people's candidate was received with a splendid ovation, attesting his popularity among all classes of voters, for they were all represented in the gathering which filled the opera house to standing room.

Salem Warming Up.

The feeling at Salem is very cordial for Mr. Chamberlain. The fact that he has kind words to say of Governor Geer, who is popular here, is the reason. The Oregonian complains that Governor Geer was unable to preside at the Furnish meeting in Salem last night. Will that paper explain, by the way, why it fails to print the name of Governor Geer on the Republican ticket at the head of its columns? The only decent and fair treatment that Governor Geer has received has been from independent people. The prominent Republicans who have called on Chamberlain since his arrival in the city shows that this feeling is deep-seated, and will result in a rebuke at the election of Mr. Scott and his candidate.

A conspicuous feature of the Chamberlain meeting today was the number of old soldiers and Indian War Veterans on the platform. They were ignored at the Furnish meeting in the rush to appease the kid element of the party, now in the sad-ovation, attesting his popularity among all classes of voters, for they were all represented in the gathering which filled the opera house to standing room.

ocrats," put all in the most genial spirits.
